

OFM Project Information for Award # S09-DY-53-0001**Project ID:** Administration**Award Amount:** \$250,111.00**Name:** Homelessness Prevention**Status:** Less than 50% completed

Description: To date sub grantees continue to exceed projections on the number of households served and have surpassed their own estimates by thirty-three percent. Many report serving a new type of household with these funds as their clients speak of being affected by the recession. Paying rental arrears for households who have fallen behind after a job loss is a common story.

While many of the sub grantees are close to meeting their own spending projections, the overall rate of sub grantee spending continues to concern us. We are considering a second round of grant reductions and we are actively working with the sub grantees so that we can shift resources to higher performing agencies or require lagging agencies to change practices on a timely basis.

Staff maintains a high level of technical assistance on client data entry into the Homeless Management Information System and on how to comply with the specific documentation requirements for Prevention and Rapid ReHousing assistance. A recent audit by the HUD Inspector General has alerted us to a few areas of case file documentation that need to be reviewed with sub grantees which has sparked a new training plan by Commerce.

Staff continues to monitor sub grantees on all levels of program compliance and on site visits will continue throughout the year.
